💬 OBJECTIVE

Eager to embark on an enriching journey within the dynamic realm of IT, I am actively seeking an entry level role that fosters a stimulating learning environment. Passionate about innovation and driven. My aim is to contribute fresh perspectives and creative solutions to propel the company's growth trajectory. Aspiring to excel as a software developer, I'm dedicated to making impactful contributions while continuously refining my skills in a collaborative setting.

🛠 SKILLS

JAVA: JAVA

PROGRAMMING: JDBC-API

PROGRAMMING: JAVASCROPT

PROGRAMMING: FRONT-END HTML-5

DATABASE: MYSQL

INTERNET: CSS

1.JAVA

- Proficient in Java fundamentals: Variables, Datatypes, Parameters, Arrays, Enum, Keywords, import,Packages,TypeCasting,condition statements.
- Excellent understanding of static and non-static concepts.
- Experienced with Access Specifiers, Method Return Type, and Wrapper Class.
- Solid grasp of Classes, Objects, Methods, Constructors, and Exceptions.
- Strong knowledge of object-oriented principles (Polymorphism, Inheritance, Encapsulation, Abstraction).
- Understanding of Memory Allocation (Stack and Heap).
- Familiarity with DTO and Service DTO.
- Proficient in robust exception handling with try-catch blocks, including custom exceptions and checked exceptions.
- Skilled in Java collections framework (List, Set, Map).
- Knowledgeable in Java 8 features: lambda expressions, streams, functional interfaces.

- Proficient in performing CRUD operations on database tables.
- Strong understanding of Primary Keys and Foreign Keys.
- Skilled in writing Sub-queries and Correlated Sub-queries.
- Proficient in utilizing Joins for data retrieval and manipulation

6.JDBC

- Competent in using JDBC to establish connections to databases, execute SQL queries, and retrieve and manipulate data programmatically.
- Error Handling and Transactions: Understanding of handling errors and implementing transactions in JDBC applications for data consistency and integrity.

CERTIFICATES

- Ongoing Courses: Java Enterprise application Development Course CSS, JavaScript, Advanced Java, Frameworks)at X-workZ development center.
- JAVA programming fundamentals BY INFOSYS
- MySQL in Detail BY INFOSYS
- HTML5-Language By INFOSYS
- CSS3 By INFOSYS

EDUCATION

- **Bachelor of Engineering in Mechanical   Engineering**   Aug 2016 - Aug 2020
  Sir M Visvesvaraya Institute of Technology – Bengaluru, India   **CGPA:7.2**

- **PUC**   Jun 2014 - Jun 2016
  Prism Pu Science college   **percentage:82.83%**

- **SSLC**   Jun 2013- Jun 2014
  J G Edn Trust Kannada Med High School   **percentage:82.40%**

PROJECTS

- **FINAL YEAR PROJECT**: MODELLING AND FABRICATION OF MULTI-PURPOSE AGRICUTURAL MACHINE
- **GITHUB PAGE PROJECT**
- ✓ created a personal portfolio website using html, CSS, and JavaScript
- ✓ designed and implemented responsive layouts and interactive features to showcase skills and projects.
- ✓ hosted the website on GitHub pages for public access: GITHUB PAGE URLhttps://ravikumarxworkz.github.io/
- ✓ demonstrated proficiency in front-end web development technologies and version   control with git

DECLARATION

I do hereby declare that particulars of information and facts stated here in above are true, correct and complete to the best of my knowledge and belief
